The Friends of the CACB is the volunteer nonprofit organization raising funds and awareness for the CACB's programs and services for abused children. They have engaged community leaders as James Bond contestants in a friendly competition to support their mission.

Special Agents and Ms. Moneypennys have accepted the 007 Assignment and are competing for the title of Brevard's Top Bond Team ~ Protectors of Brevard's Children.

Become a sponsor, purchase a ticket, or donate in support of your favorite 007 Agents and Ms. Moneypennys, and join us at the Gala to celebrate their success.

Sponsorship opportunities to support your favorite 007 Agent & Ms. Moneypenny are on the back.

The Children's Advocacy Center is a collaborative organization that supports a compassionate and coordinated response by child protection professionals from partner agencies involved in child abuse investigations. The CACB is designed to provide a safe, non-threatening, child-friendly environment for alleged victims of child abuse. Caring child protection professionals coordinate forensic interviews, medical assessments, crisis intervention, and therapeutic treatment to help minimize the trauma of abuse, help children heal, and ensure offenders are held accountable.
